

The diagram illustrates the marking process flow for two roles: Mark and Moderate.

Mark Role Flow:

- The process starts with a "Mark" button.
- It leads to a "section" box containing a "Q number" and a "mark awarded" field.
- Below the "section" box is another "section" box with a "Q number" and a "mark awarded" field.
- Below the second "section" box is a "Mark" button with a checkmark icon.
- The flow ends at a large box labeled "Exams Office Use Only".

Moderate Role Flow:

- The process starts with a "Moderate" button.
- It leads to a "No change" button with a checkmark icon.
- Below the "No change" button is a "change" button.
- The flow then leads to a "section" box containing a "Q number" and a "mark awarded" field.
- Below the "section" box is another "section" box with a "Q number" and a "mark awarded" field.
- Below the second "section" box is a "Comment/query?" box.
- The flow then leads to two buttons: "Fixed" (with a checkmark icon) and "Not sure" (with a question mark icon).
