

The diagram illustrates the marking process flowchart. It begins with a 'Mark' box at the top, which branches into two paths. The first path leads to a box containing a red 'X' icon and a sad face, indicating a failed attempt. The second path leads to a 'section' box, which contains a 'Q' icon, a 'number' field, and a 'mark awarded' field. This 'section' box then leads to another 'section' box, which also contains a 'Q' icon, a 'number' field, and a 'mark awarded' field. This second 'section' box then leads to a 'Mark' box containing a checkmark icon and a 'Mark' field. Finally, the 'Mark' box leads to a large box labeled 'Exams Office Use Only'.
