

The diagram illustrates the Marking and Moderation process flow, divided into two main sections: Marking (red) and Moderation (green).

Marking Process (Red):

- Sub-total:** A vertical column of 15 empty boxes for recording sub-totals.
- Mark:** A red box with a checkmark and a checkbox, labeled "Mark".
- Marking Error:** A red box with a red 'X' and a sad face icon, indicating an error.
- Marking Form:** A red box containing:
 - section:** A dropdown menu.
 - Q number:** A text input field.
 - mark awarded:** A text input field.

Moderation Process (Green):

- Moderate:** A green box with a checkmark and a checkbox, labeled "Moderate".
- No change:** A green box with a checkmark and a checkbox, labeled "No change".
- change:** A green box with a checkmark and a checkbox, labeled "change".
- Moderation Form:** A green box containing:
 - section:** A dropdown menu.
 - Q number:** A text input field.
 - mark awarded:** A text input field.
- Comment/query?:** A large green box for providing comments or queries.
- Fixed:** A green box with a checkmark and a checkbox, labeled "Fixed".
- Not sure:** A green box with a question mark and a checkbox, labeled "Not sure".

The flow starts with the Marking process, leading to the Moderation process. The Moderation process includes a "change" step, which leads to a "Comment/query?" box. The flow then branches into "Fixed" and "Not sure" outcomes.
