

The diagram illustrates the marking process flow. It begins with a document icon featuring a sad face and 'X' marks. This leads to a 'section' box containing a 'Q' icon, a 'number' field, and a 'mark awarded' field. The flow continues to another identical 'section' box. From there, it proceeds to a 'Mark' box, which includes a checkmark icon and a 'Mark' field. Finally, the process concludes with a large box labeled 'Exams Office Use Only'.
